Warren R. Sistine

DEDICATION

From the lowly position of teacher in a one-room school on the Northern Arizona "strip," Warren R. Sirrine was initiated to the responsibilities of an administrative career when he became principal of the Mohawk Valley School in 1935. Three years later he assumed the principalship of the Crane School District, where his efforts to make Crane School "second to none" were eminently successful.

In 1956 he was approached by the YUHS Board of Education, and accepted the position of District Superintendent.

In his high school years at Mesa, and later at ASC Flagstaff, he was acclaimed an outstanding "competitor," and small wonder, since he once held the state broad jump record and lettered four years in football and track.

At the University of Southern California where he received his master's degree and continues his graduate professional study, our superintendent is known for his devotion to education and his basic philosophy that all youth should be educated to the highest degree compatible with their intellectual potential.

Sports events, traveling, and fishing are his choices for those infrequent opportunities he finds to relax from his obligations to the district, and it is on these occasions he finds time to devote to his wife and family.

As a professional educator he has been an active member of the NEA and the Arizona Education Association, serving on numerous state level committees. On the community level he proves a willing volunteer worker on various civic affairs committees and is Sunday School Superintendent of his church.

All such activities, added to the problems of a growing district that recently required a complete new school plant, have called for wise budgeting of time and a maximum of leadership.

As educational leader of the district, our superintendent has worked continuously with the professional staff to revise course offerings in keeping with the rapidly changing technology and culture of our times. His positive approach to problems of good citizenship on the high school campus has had a major effect on desirable changes of attitude toward sportsmanship, academic excellence, grooming, and conduct.

We who have witnessed these accomplishments have been instilled with a spirit of pride in our school and a desire to pass on our legacy to those who will follow.

Prompted by the nearly three decades of tireless effort expended in the task of moulding the minds and characters of Arizona youth; grateful for his many accomplishments on our behalf at Yuma High School; inspired by his confidence in our individual ability and worth, we proudly dedicate the 1961 edition of the El Saguaro to our Superintendent, Warren R. Sirrine, and wish him increasing success in the years ahead.

Mr. Sirrine—The dedication pages have expressed our feelings for our superintendent. This is the highest honor we can bestow and there seems little more to say.

Mr. (When I was coach at Scottsdale) Manes is famous not only for his stirring pep speeches but for being one of the most popular administrators in the state.

Mr. Martinez—In his Junior year at YHS is progressing very satisfactorily. It is rumored that he will graduate as an administrator of the highest standing next year.

VALEDICTORIAN

Diana Beverly Scarbrough, the daughter of Mr. and Mrs. William E. Scarbrough, achieved the coveted position of valedictorian of her class with an average of 1.02857.

Diana has, during the past four years, been active in SRAC, girl's chorus, National Honor Society, Art Club, and Spanish National Honor Society. She also wrote Crim's Corner and was Student Body Secretary this past year.

After graduation, she plans to work and attend Grand Canyon College in Phoenix. Her major will be English education and her minor Bible.

Diana says she likes best to see young people stand up for their personal convictions regardless of opposition from the crowd.

SALUTATORIAN

The salutatorian honors of the Class of 1961 went to Mary Chilton. Mary is the daughter of Mr. and Mrs. Sidney S. Woods. Before moving to Yuma, she lived in Corsicana, Texas, for nine years. Her average for her four years at YHS was 1.06250.

Anchor, Modeling, Lyre's, Drama, Melody, Warden's, and Latin Clubs have taken up much of her time. Mary has also been active in band and concert choir and was honored with the D.A.R. Good Citizenship Award and chosen Zonta Girl for October.

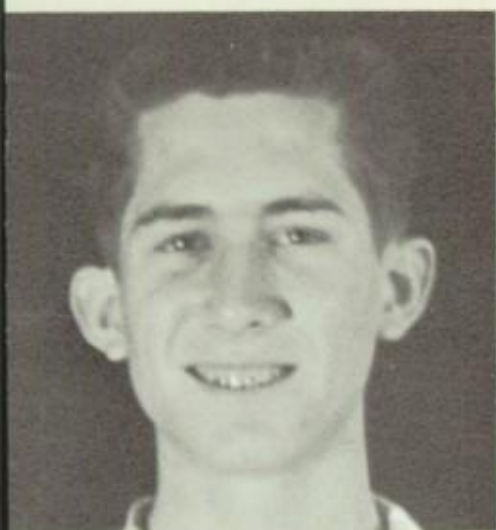

Mary plans to attend Sweet Briar College in Virginia. She is undecided as to her major, but her interests lie in psychology, English, and Foreign languages.

Best wishes, Mary

EL SAGUARO.

Everyone agrees that the EL SAGUARO editor has done an outstanding job this year.

Through her excellent management she has enabled the staff to do a better job. So . . . "Congratulations Alicia, for a job well done."

Alicia Mumford

Pat Arnold

As managing editor, Pat has shown herself to be indispensable as a supervisor, as well as keeping the staff on an even keel.

We don't know too much about math, but we do know Rosemary knew when to multiply or divide; and was a welcome addition to the class as business manager.

Rosemary Barnes

This year our Advertising staff was out to prove the statement: "It pays to advertise . . . us that is."

Left to right are: Jerry Daniels, Peggy Measures, and Teresa Delgado.

Divisional editors have had a tough job this year, especially for those who are new on the staff. But despite all hardships they really learned how to number the pages.

Standing, L to R: Virginia Ship, Darlene Ridenour, Evelyn Fraunfelder, Olga Olea, Susan Dinwiddie. Sitting, L to R: Beverly Uhl, Pam Pike, and Valerie Keene.

This year we'd like to make it perfectly clear that no professional artists were hired, even though our Art staff's work does look professional.

Standing, L to R: Ann Birtch, Judy Fletcher, Susan Scott, Mary Crowder, Amy Wilson, and Virginia Schierling.

Johnny Morales, Sports Editor, and Garey Wallace, assistant, are the ones to thank for their laudable handling of "all our camps" in the Sports section.

Vern Wall deserves credit for his gilt edge work throughout the EL SAGUARO, as Staff Photographer.

Faculty Advisor

Faculty Advisor simply means one who irons out the wrinkles (and probably develops a few of his own after he's read some of our work) what he kiddingly calls "journalism," composed by EL SAGUARO and THERMOMETER staff members; maintains peace in class; teaches us correct procedures for publishing yearbook and a newspaper; receives admiration and respect from those who know and work with him.

Under the direction of Mr. Brennan and RoseMary Barnes the "Solid Gold Cadillac" was well received by an enthusiastic audience.

Through the combined efforts of every member of the Drama Club, the annual Drama Club Play was a great success.

The special formula used for the successful musical review presented in Snider Auditorium March 9th and 10th was talent plus hard work plus lots and lots of witch craft. We should certainly be proud of our YHS Melody Club, because they've done it again with another original hit.

GHOST

Most people have inherited property, but we never heard of anyone inheriting a ghost. Nancy Willard did. This attractive girl, who works for a publisher, is engaged to Parker Burnett. Then Amelia Bullock, her landlady and owner of a delightful old house, dies at the age of 103. Nancy learns that she has been left something named Nathaniel Coombes. Nathaniel is a young and handsome Revolutionary soldier who had been ambushed and killed in 1776 and is now doomed to an earth-bound existence as a ghost in the neighborhood of Nancy's apartment. He cannot get into heaven because he has failed to deliver a message to George Washington. It was all the fault of a pretty bar-maid, who caused him to forget his duty. Nancy, incidentally, is the only living being who can see Nathaniel. When Charley Stewart, an attractive young newspaperman, comes to Nancy's apartment seeking data on the late Miss Bullock, Nancy finds her life even more complicated, since there are now three young men (if we include Nathaniel) interested in her. It is Charley, of course, who learns how to exorcise the ghost and win Nancy away from Parker. But it is Nathaniel who ultimately enables Nancy to choose the right husband, and on his accomplishing this he gains admittance to heaven, after winning Washington's approval — with the help of the bar-maid.

For the second year in a row, Coach Marvin Rosengarten has led his football team to the State Championship Playoffs after winning the Division Three Crown twice in as many years. The Crim gridders compiled an over-all record of 8 wins, 2 defeats, and 1 tie. Upon completing his second year as head football coach, Mr. Rosengarten, due to personal reasons, resigned this position to return to Missouri. Hats off to a fine coaching staff and a tremendous football team.

 Row 2: Frank Palacio—Mgr., Pat Rooney, Sonny McCullough, Dave Nelson, Dave Penny, Mike Smith, Duke Spelce, Coach Paterson

After a hectic season of wrestling, the Crim matmen closed the season with a 7-5 mark. The Crims sent three men to the state meet and took fifth in state competition. This year's squad at times used no less than 4 sophomores in Varsity meets. This assures us of an equally good season for our wrestlers, if not better, next year.

ON TO HIGHER GOALS

EL SAGUARO SALUTES STEVE COPPLE

In recognition of the contribution that Steve Copple has made to Yuma High, we wish to dedicate this page to him.

Steve has been honored with the position of President of Key Club International, which covers not only the United States, but also Canada. He was a delegate to the Key Club Conventions in Toronto and in Boston. As an international trustee of Key Club, he represented Arizona, New Mexico, Utah, and Idaho. Arizona Boys' State saw fit to elect Steve Governor of Boys' State.

Ever since his Freshman year, Steve has participated in Student Council. As a Freshman and also as a Sophomore, he was elected the class representative. During his junior year, the AMS elected him as their representative to the Student Council. This past year Steve was student body social manager. His activities in student council extended nationwide as a delegate to the convention of the National Association of Student Councils in Pittsburgh, Pennsylvania; also statewide as chairman of the Arizona Association of Student Councils.

Latin, Lettermen's, and Warden's clubs plus tennis and football are some more of the activities that Steve has been in. He was also a delegate to Arizona Anytown.

In spite of all of these outside activities, Steve has maintained a high academic record and ranked ninth in his class. He was a recipient of the \$4000 Phelps- Dodge Scholarship to the University of Arizona.

We of the El Saguaro feel that it speaks for the entire school when we express in this small way our pride and congratulations to Steve Copple. Steve will take a part of Yuma High away but a part of Steve will remain to give inspiration to those who will take his place.

Steve Copple, we salute you.

ONE FINAL

THANK YOU

As I write this letter, before me lie the last of the pages which remain to be sent in. It doesn't seem quite possible that another school year has sped to the past. I do not think anyone can realize the sweat, blood, and tears that must be shed to put together an annual, unless they have been on an annual staff. We, speaking for the staff, had our share of excitement — even to the extent of having the senior class pictures disappear. As I look back on these past nine months, I am afraid I am inclined to become a little sentimental. New friends, new experiences, and another annual to be placed in the archives of the history of Yuma High.

This annual would never have been possible without the cooperation and hard work of:

Mr. Tom Clarkin, our advisor, always seemed to have the right answers to all my questions. We could never have gotten along without him.

Pat Arnold, the associate editor, proved a willing and cheerful worker.

I never had to worry about the financial department, because it was in the capable hands of *Rosemary Barnes* and her assistant *Judy Fletcher*.

How do you like the art work? My thanks go to the art staff headed by *Susie Scott*. The other members of this staff were *Mary Crowder*, *Virginia Schierling*, *Amy Wilson*, and *Ann Burtch*.

Valerie Keene, *Olga Olea*, and *Beverly Uhl* had the big job of class panels. They made a most efficient trio. *Pam Pike* handled the plays section better than ever.

Darlene Ridenour, *Virginia Shipp*, and *Evelyn Fraunfelder* offered time, hard work, and good ideas, for which I am grateful.

Johnny Morales did a great job with the sports section. *Garey Wallace* not only did his own section, but was ready and willing to help in any way he could.

Susan Dinwiddie and *Vern Wall* handled all the photography. My thanks to them for all the extra hours they put in to help make this annual a success.

I wish I could devote more space to each and every member of the staff. I would like, though, to take this opportunity to extend to each person with whom I worked, my heartfelt thanks for their sincerity and cooperation in publishing this annual. I could not have wished for a more competent and jovial staff with which to work.

My thanks go also to the *New York Herald Tribune*, who so graciously permitted us to use *Miss Peach* as our theme. To *Mr. and Mrs. UpDike* goes my appreciation for the wonderful job they did with the class pictures.

The *Yuma Daily Sun* provided us with many needed pictures. *Newsfoto* did the fine job of publication.

If I have missed anyone on this acknowledgment page, please forgive me. It is certainly unintentional.

Thanks seem to be so futile; and yet that is all I can find to say. So thank you one and all for making this a cherished year for my album. This annual is now a part of the past. The work is done. It no longer belongs to my staff and I, but to you. It is yours. I hope you will enjoy it always.

Yours sincerely,

Alicia Mumford
